The Pastoral Care Specialist Seminar is a five-month intensive that further equips ministerial caregivers. Participants will gain a deeper understanding that strengthens response to human crises. This study integrates the resources of faith traditions with the knowledge and practice of behavioral sciences. Individuals are expected to commit for the entire length of study. Applications for the program are accepted throughout the year, and participants may begin in January or September.

Applications for the program are accepted throughout the year for Jan. or Sep. Please forward completed application to Rev. Dr. Janice C. Hodge, LCPC grow@jchodge.com
